## Book Description

Excerpt from A Thief in the Night: Further Adventures of A. J. Raffles, Cricketer and Cracksman I pick my words with care and pain, loyal as I still would be to my friend, and yet remembering as I must those Ides of March when he led me blindfold into temptation and crime. That was an ugly offiice, if you will. It was a moral bagatelle to the treacherous trick he was to play me a few weeks later. The second offence, on the other hand, was to prove the less serious of the two against society, and might in itself have been published to the world years ago. There have been private reasons for my reticence. The affair was not only too intimately mine, and too discreditable to Raffles. One other was involved in it, one dearer to me than Raffles himself, one whose name shall not even now be sullied by association with ours.
