Book Description

Excerpt from A Lady's Life in the Rocky Mountains I have found a dream of beauty at which one might look all one's life and sigh. Not lovable, like the Sandwich Islands, but beautiful in its own way! A strictly North American beauty - snow-splotted mountains, huge pines, red-woods, sugar pines, silver spruce; a crystalline atmosphere, waves of the richest colour; and a pine-hung lake which mirrors all beauty On its surface. Lake Tahoe is before me, a sheet of water twenty - two miles long by ten broad, and in some places 1700 feet deep. It lies at a height of 6000 feet, and the snow-crowned summits which wall it in are from 8000 to feet in altitude. The air is keen and elastic. There is no sound but the distant and slightly musical ring Of the lumberer's axe. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
